Director Milks moved to approve item 7bii as presented, Director Wenzel seconded. A roll call vote was taken, the motion carried with five (5) Yes, zero (0) No, and Director Lutz and Director Wang abstained.

iii. Varnum Conflict of Interest Consent Waiver

Discussion ensued regarding the KCBRA's legal counsel being employed by the developer, and the possible need for consideration of secondary counsel if there is a conflict during the preparation of the Development Agreement between the KCBRA and the developer. The KCBRA may consider asking the developer to pursue different counsel if there is an unresolvable conflict during the drafting phase of the agreement.

Director Carew moved to approve item 7aiii, authorizing the Chair to sign the item, with the understanding that the KCBRA or developer may seek alternative legal counsel if deemed necessary, Director Goodwill seconded. A roll call vote was taken, the motion carried with four (4) Yes, one (1) No, and Director Lutz abstained.

- c. **Discussion/Action:** Fishbeck
 - i. General Environmental Memo & Billing Summary
 - ii. EPA Grant Memo & Billing Summary
 - iii. Draft Contract Extension Request for EPA Assessment Grant

Director Wang moved to approve item 7ciii, authorizing staff to submit the EPA grant extension, contingent upon the item being reformatted into the EPA's preferred template and on KCBRA letter head. Director Lutz seconded, none opposed, motion carried.

Memo

TO: Macy Walters, Brownfield Redevelopment Administrator, Kalamazoo County Brownfield

Redevelopment Authority

FROM: Therese Searles, Senior Brownfield Specialist and Jeff Hawkins, Vice President/Senior

Hydrogeologist

DATE: September 26, 2024

RE: General/LBRF Funding Updates

This memorandum serves to provide information regarding updates for the Kalamazoo County Brownfield Redevelopment Authority (KCBRA) for activities and services rendered on various projects related to General Funding or LBRF Projects. At the request of the KCBRA Board, these monthly updates will not be comprehensive; they will be condensed moving forward to only include major project updates.

1. General Environmental Review

Project No: 230454 - W.O. 2023-1 and W.O. 2024-1

<u>Update:</u>

General Review: This month's invoice for consideration includes an extension of services started last month such as reviewing the proposed Brownfield Plan for the Project Stride project and related communication, completing a review and preparing documentation regarding the City of Portage Reimbursement Request, and meeting update discussions.

Administrative Support: KCBRA has tasked Fishbeck with attending the monthly Kalamazoo County Land Bank Authority (KCLBA) meetings and reporting back to the KCBRA board on key takeaways that may be of interest to the Brownfield Authority. Fishbeck attended the September 12th KCLBA meeting. Discussion was held regarding the scattered site brownfield plan and legal counsel, Kurt Brauer, indicated meetings were planned to go through the process of getting this Brownfield Plan approved. Mr. Brauer also informed the KCLBA board that KCBRA recommended the Project Stride/Landscape Forms Brownfield Plan for approval. A draft of the Development Agreement was presented to the board in their packet. Mr. Brauer indicated they were still working through the Development Agreement. The Land Bank will have control but not ownership of the property which will be developed by December 31, 2027. There is a condition in the development agreement to take a lien on the property if development conditions are not met. Zach Bauer has been named as the new Executive Director and his first official day in this role will be September 23, 2024. The next KCLBA meeting is scheduled for October10, 2024.

2. YWCA – 550 S. Riverview, Parchment, Michigan

Project No: 231417 - W.O. 2023-2

Update:

Periodic checks of the online system indicate that required pressure differential (minimum 0.02 inches of water column) continues to be met. There is no invoice for consideration this month.

Memo

TO: Macy Walters, Brownfield Redevelopment Administrator, Kalamazoo County Brownfield

Redevelopment Authority

FROM: Therese Searles, Senior Brownfield Specialist and Jeff Hawkins, Vice President/Senior

Hydrogeologist

DATE: September 26, 2024

RE: FY21 EPA Grant Updates and Invoices

This memorandum serves to provide information regarding updates for the Kalamazoo County Brownfield Redevelopment Authority (KCBRA) for activities and services rendered on various projects related to the FY21 EPA Brownfield Assessment Grant.

1. Community Outreach and Programmatic Project No: E210229 -W.O. 2, Amendment No. 3

Update:

Preparation of meeting materials, preparation of the EPA grant extension request using the preferred EPA template and associated discussions, and updates to the ACRES reporting database were completed this month. The grant period is set to end on September 30, 2024 unless an extension is granted. *The extension request was submitted to the USEPA for consideration by the Brownfield Redevelopment Administrator on September 6, 2024.*

2. Redman Ventures, LLC – 6667 Stadium Drive, Oshtemo Township Project No: 231418 – W.O. 11

Brownfield evaluation activities have been underway. The current status is waiting on the formal pro forma be filled out by the developer as requested by the assessor before establishing an estimated future taxable value. It has been over two months since return communication has been received from Mr. Redman. It is unclear whether the delayed response is due to project funding concerns or uncertainty with completing the pro forma (which instructions and offers of assistance were provided). Brownfield staff has determined that due to the lack of communication and approaching grant period end, to reallocate the remaining \$1,943.76 in brownfield evaluation funds and return them to the unencumbered grant fund budget to support other projects. A memo informing Redman Ventures, LLC of this decision is being sent.

3. Legacy Senior Living – 730 N. Burdick Street, Kalamazoo, Michigan Project No: 231419 – W.O. 12

Update:

Hollander Development Corporation (Hollander), in partnership with Mt. Zion Baptist Church of Kalamazoo, has been awarded low-income tax credits to develop a 70-unit multi-family apartment community for seniors in Kalamazoo's Northside Neighborhood. EGLE funding has been secured for pre-investigation (preparation of HASP and SAP), field investigation, and reporting (Investigation report, ResAP, and DDCC). Minimal EPA grant cleanup planning funds have been reserved for general project planning meetings that are not covered under the EGLE funding. As of August 31, 2024, remaining grant budget for this task was \$31.57. Brownfield staff has determined it makes sense to reallocate the remaining \$31.57 in cleanup planning funds to the unencumbered grant fund budget to support other projects. Minimal expenses that may have been incurred for these discussions in September will be billed to the general services, contract administrative support, if applicable. No further grant expenses are anticipated.

4. Urban Exposure Initiative – 1116 Lake Street, Kalamazoo, Michigan Project No: 231768 – W.O. 15

Update:

The KCBRA board took action in July to retain the minimal remaining budget for the brownfield evaluation and reallocated the \$6,000 budget for preparation of the Brownfield Plan to the unencumbered grant budget to support other project needs. Brownfield staff has determined that due to the approaching grant period end and indications from the City that they are not ready to move forward with a Brownfield Plan on this project, to reallocate the remaining \$847.80 in brownfield evaluation funds and return them to the unencumbered grant fund budget to support other projects. A memo informing UEI of this decision is being sent.

5. Teresa's Kitchen, 1216, 1222 and 1228 S. Burdick, Kalamazoo, Michigan Project No: 240812 – W.O. 17

Update:

The KCBRA board approved Amendment No. 1 to Work Order 17 in July to conduct Phase II ESA sampling activities, preparation of a Baseline Environmental Assessment (BEA) and Due Care documentation, if warranted, as well as completion of a pre-renovation Hazardous Materials Inspection. A Health and Safety Plan (HASP) and Sampling and Analysis Plan (SAP) has been prepared and submitted to the USEPA. *The HASP was accepted and the SAP approved by the USEPA on August 27, 2024. Access authorization for sampling was also granted by the current property owner on August 27, 2024. Phase II ESA sampling was conducted on September 6th and 9th and the HMI field work was conducted on September 16, 2024. Lab analysis is underway.*

6. J. Smith Laundry and Apartments, 802 N. Westnedge Ave., 438 and 442 W. Frank St., Kalamazoo, Michigan Project No: 241171 – W.O. 18

<u>Update:</u>

Jeremiah Smith Enterprises 2, LLC desires to acquire and develop the three undeveloped parcels, located at 802 N. Westnedge Avenue, 438 and 442 W. Frank Street, into J. Smith Laundry and Apartments. Mr. Smith has a Letter of Intent in place and has site control of the property. It is anticipated that development activities would commence in Spring of 2025 with an anticipated completion date of Spring 2026.

The initial Work Order #18 was approved in June to authorize preparation of U.S. EPA eligibility, and a Phase I Environmental Site Assessment (ESA). Phase I ESA & Phase II ESA activities were previously completed in 2013 based upon multiple concerns including historical automotive service operations, the presence of fill material, and

adjoining properties. Phase II ESA sampling in 2013 resulted in the identification of PNAs in soil in excess of current EGLE cleanup criteria. Amendment No. 1 to Work Order 18 was approved by the KCBRA board in July to conduct a Phase II ESA, preparation of a BEA and Due Care documentation, and preparation of a Brownfield Plan. Concurrence on site eligibility from the USEPA took much longer than anticipated, but was received on August 15, 2024. An extension request has been submitted to the USEPA to extend the grant period and timing to complete this project is listed for consideration in the extension request letter. The Phase I ESA is well underway. Initial planning of the Phase II ESA, BEA and Due Care considerations has been initiated. Meetings regarding Brownfield planning have occurred. In addition, Mr. Smith is working through the pro forma process with his team. Understanding both eligible activities, which may be informed from sampling results, and funding sources for the project, will be needed to draft preparation of the Brownfield Plan. If the one-year grant extension request is approved, there would be adequate time to work through the approved grant tasks, including the entire Brownfield Plan process.

7. 234/238 EM, LLC, 234 and 238 East Michigan Avenue, Kalamazoo, Michigan

Project No: 241434 – W.O. 19

Update:

A project application has been submitted by 234/238 EM, LLC to the Kalamazoo County Brownfield Redevelopment Authority (KCBRA) requesting funding support through the use of the County's U.S. Environmental Protection Agency (U.S. EPA) Assessment Grant for the project located at 234 and 238 East Michigan Avenue in downtown Kalamazoo. 234/238 EM, LLC acquired the property in September of 2023 and desires to renovate the second floor of the historic downtown building to provide residential opportunities within the heart of the downtown business district. The building is commonly referred to as the "Heimstra Building" and is located in the Haymarket Historic District. The proposed renovations will preserve the historic features and will include extensive interior demolition on the second floor to create four (4) one-bedroom housing units and retain a commercial firstfloor tenant (Heimstra Optical). The total project costs are anticipated to be \$1,79 million with rehabilitation efforts commencing early 2025 with an anticipated completion date of Fall 2026. In August, the KCBRA approved using \$3,000 of grant funds to complete obtaining U.S. EPA eligibility and a Phase I Environmental Site Assessment (ESA). Eligibility concurrence was received on September 11, 2024. The Phase I ESA is underway and has been prioritized to finish by September 30, 2024 if the grant extension is not approved. It was anticipated that additional assessment scopes of work were needed to support the project. 234/238 EM, LLC is also requesting completion of an asbestos survey if sufficient EPA grant funds remain. Work Order 19, Amendment No. 1 has been prepared for the Board's consideration this month.

Additional Note: At time of preparation of this memo, \$3,042.74 has been reallocated per Brownfield Redevelopment Administrator direction (as described in this memo) and returned to the unencumbered grant budget, which brings that remaining total to \$3,045.44.

Memo

TO: Macy Walters, Brownfield Redevelopment Administrator, Kalamazoo County Brownfield

Redevelopment Authority

FROM: Therese Searles, Senior Brownfield Specialist

Jeff Hawkins, Vice President/Senior Hydrogeologist

DATE: September 26, 2024

SUBJECT: FY25 USEPA Assessment Coalition Grant

The City of Kalamazoo Brownfield Redevelopment Authority (KBRA) has approached the Kalamazoo County Brownfield Redevelopment Authority (KCBRA) regarding interest in applying for a U.S. Environmental Protection Agency (USEPA) Brownfield Assessment Grant for the fiscal year 2025 (FY25). The city desires to collaborate with the county instead of competing against them. Therefore, the city has reached out to KCBRA staff to discuss partnering in a coalition grant.

Coalition grants are designed for a "lead" entity to partner with two to four entities that "do not have the capacity to apply for and manage their own EPA cooperative agreement and otherwise would not have access to Brownfields Grant resources."

The differences between a Community-wide Assessment Grant and an Assessment Coalition Grant for FY25 are summarized below:

	Community-wide Assessment	Assessment Coalition Grant
	Grant	
Maximum Award Amount	\$500,000	\$1,200,000
Performance Period	4 Years	4 Years

The FY25 USEPA Brownfield Assessment Grant application period is now open, and applications are due November 14, 2025, so decision-making discussions regarding the application process should be made as soon as feasible.

I. Scope of Services

A project application has been submitted by 234/238 EM, LLC to the Kalamazoo County Brownfield Redevelopment Authority (KCBRA) requesting funding support through the use of the County's U.S. Environmental Protection Agency (U.S. EPA) Assessment Grant for the project located at 234 and 238 East Michigan Avenue in downtown Kalamazoo. 234/238 EM, LLC acquired the property in September of 2023 and desires to renovate the second floor of the historic downtown building to provide residential opportunities within the heart of the downtown business district. The building is commonly referred to as the "Heimstra Building" and is located in the Haymarket Historic District. The proposed renovations will preserve the historic features and will include extensive interior demolition on the second floor to create four (4) one-bedroom housing units and retain a commercial first-floor tenant (Heimstra Optical). The total project costs are anticipated to be \$1,79 million with rehabilitation efforts commencing early 2025 with an anticipated completion date of Fall requested requesting funding support from the KCBRA for this scope of work under Work Order 19. It was anticipated that the project would have additional assessment needs.

Based on some anticipated remaining EPA grant funds available to support this project, the proposed scope of services included in this amended work order consists of Hazardous Materials Inspection. The cost of this inspection may be greater than existing funds available and the Board should evaluate funding options.

Hazardous Materials Inspection

A Pre-Renovation Hazardous Materials Inspection, inclusive of an asbestos survey and limited paint chip sampling, is a proposed scope of work included in this amended Work Order. The asbestos survey will be conducted by a team of two inspectors, led by a State of Michigan accredited Asbestos Building Inspector, to determine if asbestos-containing materials exist that will require abatement prior to renovation. The paint chips will be analyzed for lead and cadmium to inform contractors on potential worker exposures.

II. Compensation

Compensation for services provided under this Work Order will be completed on a time-and-materials basis invoiced at the rates provided in the Contract for Professional Services between FISHBECK and CLIENT not-to-exceed the budget detailed below without prior authorization from the KCBRA.

Hazardous Materials Inspection:

Trazar do do Triater do mo pectron.	
Survey Labor (2 inspectors)\$	2,600
Project Management and Coordination (includes HASP and SAP preparation)\$	800
Laboratory Analysis (est. 65 asbestos samples, 4 paint chip samples for lead/cadmium analysis)\$	870
Report Preparation\$	1,200
Field Expenses, Equipment, Mileage	225
Estimated Budget – HMI	5,695
Total Estimated Budget – Amendment No. 1 Scope of Work\$	5,695
Work Order 19 Budget (approved 8/22/2024)	3,000
Total Estimated Budget – Amendment No. 1 Scope of Work	5,695
Total Estimated Project Budget – Work Order 19 and Amendment No. 1	8.695

At time of preparation of this amended work order, anticipated remaining grant funds to be eligible to support this project are \$3,045.44. The Board should evaluate additional funding sources to cover the difference, including potentially any additional remaining grant funds.

III. Schedule

The amended scope of services is contingent on receiving the requested grant extension from the USEPA. If the extension is granted, HMI activities can be initiated, including preparation of the HASP and SAP, upon authorization to proceed. Field services are anticipated to occur within two weeks from SAP approval, 7–10 business days for laboratory turnaround, and an additional 1–2 weeks to prepare the report. In addition, results of the Phase I ESA will inform whether any additional scope of work is recommended.

BROWNFIELD PLAN DEVELOPMENT AGREEMENT

THIS BROWNFIELD PLAN DEVELOPMENT AGREEMENT (the "Agreement"), is entered into on ______, 2024 between the **KALAMAZOO COUNTY BROWNFIELD REDEVELOPMENT AUTHORITY**, a Michigan public body corporate established pursuant to Act 381 of the Public Acts of 1996, as amended, MCL 125.2651 et seq. ("Act 381"), whose address is 201 W. Kalamazoo Avenue, Room 101, Kalamazoo, Michigan 49007 (the "Authority"), and **LANDSCAPE FORMS, INC.** (the "Developer").

RECITALS

WHEREAS, the Authority, of the Charter Township of Comstock (the "Township"), and Kalamazoo County (the "County") have determined that brownfield redevelopment constitutes the performance of an essential public purpose which protects and promotes the public health, safety and welfare.

WHEREAS, Kalamazoo County has established a Brownfield Redevelopment Authority and the Authority and the County have adopted a Brownfield Plan specifically for this site (the "Plan"), pursuant to the provisions of Act 381.

WHEREAS, the Authority and the County have designated certain properties that have conditions of environmental contamination, blight or obsolescence as appropriate sites for creating a Plan, or any other eligibility status deemed eligible per Public Act 381

WHEREAS, Act 381 permits the use of the real and personal property tax revenues generated from the increase in value (the "Increment") to brownfield sites constituting Eligible Property under Act 381 resulting from their redevelopment to pay or reimburse the payment of costs of conducting Eligible Activities (these costs are referred to as "Eligible Costs") and, unless Developer is a liable party for the site contamination, permits the reimbursement to Developer of Eligible Costs it has incurred.

WHEREAS, Developer owns property in Kalamazoo County located at_7800 E. Michigan Ave. in Kalamazoo, MI, 49048 (the "Property") and legally described on the attached Exhibit A.

WHEREAS, the Property has been included in the Plan and qualified as an "Eligible Property" under the terms of Act 381.

WHEREAS, Developer intends to redevelop the site to develop a 300,000 square foot warehouse building, expanding the current operational facilities located at the Property. These investments are expected to retain 91 jobs and create at least 125 new jobs at this location and would increase the property tax base within Kalamazoo County (the "Project").

WHEREAS, the Project will require the Developer to incur Eligible Costs associated with certain Eligible Activities including site preparation, assistance to the Kalamazoo County Land Bank Authority (the "Land Bank"), and other statutorily allowable eligible environmental and nonenvironmental activities which may require the services of various contractors, engineers,

environmental consultants, attorneys and other professionals. The Developer's Eligible Costs shall not exceed 3,847,348 (together with Interest thereon, as provided in Paragraph Five).

WHEREAS, the parties are entering into this Agreement to establish the procedure for the reimbursement from Tax Increment Revenues under Act 381 as amended.

NOW THEREFORE, in consideration of the mutual covenants, conditions and agreements set forth herein, the parties agree as follows:

- **1. Recitals.** The above recitals are acknowledged as true and correct, and are incorporated by reference into this Paragraph.
- **2. The Plan.** The Plan, approved by the Authority and the Commission of the County, concurred by the Charter Township of Comstock, is attached as Exhibit B and incorporated as part of this Agreement. To the extent provisions of the Plan or this Agreement conflict with Act 381, Act 381 controls.
- **3. Term of Agreement**. Pursuant to the Plan, the Authority shall capture that amount of Tax Increment Revenues generated from real and personal property taxes allowed by law on the Eligible Property. Capture will begin in the fourth year (2028) after the year of the establishment of the Plan (2024) and will continue until the earlier of (hereinafter, the "End Date"):
- **3.1** Full reimbursement to the Authority of its Administrative Costs, plus reimbursement to the Developer of the Property as outlined in the Plan, including reimbursement of Eligible Costs for those Eligible Activities set forth in Paragraph 5, plus an additional amount captured by the Authority for an additional five full years of tax capture ("Additional Authority Amount") such Additional Authority Amount to be designated for the Local Brownfield Revolving Fund ("LBRF"); or
- **3.2** 30 years from the beginning date of the capture of Tax Increment Revenues, with five of the 30-years designated for LBRF only. It is estimated the Plan will complete capture within 26 years or as modeled in the attached Brownfield Plan reimbursement schedule.
- **4. Evidence of Ownership**. Prior to the execution of this Agreement, Developer shall provide to the Authority each of the following: (a) evidence satisfactory to the Authority that the Developer has acquired fee simple title to the Property, which evidence shall include (without limitation) a copy of a recorded deed to the Property in favor of the Developer; and (b) a copy of a commitment for owner's title insurance with respect to the Property (the "Commitment"), which Commitment shall show the Developer as record owner of the Property, shall reflect that all material conditions to the issuance of a policy thereunder have been satisfied, and shall otherwise be in form and substance satisfactory to the Authority.
- **5. Eligible Activities**. The Developer shall diligently pursue completion of the Eligible Activities summarized in the Plan and set forth in this Paragraph. The Authority shall reimburse the Developer for Eligible Costs incurred on or after the date of the inclusion of this Project in the Plan and may include site preparation, assistance to the Land Bank, and other statutorily allowable eligible environmental and nonenvironmental activities, which may require the services of various

contractors, engineers, environmental consultants, attorneys and other professionals. Simple interest at the rate of three percent (3%) per annum ("Interest") shall accrue on all approved Eligible Costs as described in the Plan, in each case calculated from the date the Authority approves Developer's request for reimbursement for the pertinent Eligible Costs until such Eligible Costs are reimbursed in full. Interest will be calculated at the end of each calendar year based on the total unreimbursed Eligible Costs outstanding at that time (other than accrued Interest). Principal amounts of the Eligible Costs shall be reimbursed to Developer prior to Interest accruing thereon.

6. Reimbursement Source. During the term of this Agreement and except as otherwise set forth in this Agreement, the Authority shall reimburse the Developer for its Eligible Costs, as limited under this Agreement, from all available Tax Increment Revenues collected from the real and personal property taxes on the Property,

7. Reimbursement Process.

- 7.1 Cost Reimbursement Request. The Developer will provide sufficient documentation of the Eligible Costs incurred including the dates of each Eligible Activity, a complete description of the work, proof of payment, detailed invoices for the costs involved for each Eligible Activity, sworn statements, lien waivers and other back up documentation reasonably requested by the Authority, and a written statement certifying to the Authority that all such costs are "Eligible Costs" and permitted to be reimbursed to Developer under Act 381 and all other applicable laws and regulations. Failure to provide the above noted information when due, or within the time permitted by the Authority under Paragraph 7.2, may result in foregone reimbursement, to the Developer by the Authority, for Eligible Costs that have not been requested within the timeframe described above.
- Authority Staff Review. The Authority Staff shall review each reimbursement 7.2 request within 30 days after receiving it. If Authority Staff determines that the documentation submitted by the Developer is not complete, then Developer shall cooperate in the Authority's review by providing, within 30 days of the Authority's request, any additional documentation of the Eligible Costs as deemed reasonable and necessary by the Authority in order to complete its review. Within 45 days following the receipt of such supplemental information, the Authority shall make the determination of whether the costs are eligible for reimbursement. If the Developer wishes to challenge that determination, it shall provide written notice to the Authority within 15 days of the determination, and the issue shall be brought to the Authority within 45 days thereafter for a final determination. The Developer shall not have any further appeal rights to challenge the final determination of the Authority and shall not be entitled to any claim or cause of action against Kalamazoo County or the Authority as a result of any determinations made in good faith regarding whether or not any cost submitted by the Developer constitutes an "Eligible Cost," and hereby grants the County and the Authority and their respective officers, agents and employees, a complete release and waiver of any claims or causes of action as a result of the foregoing.
- **7.3 Reimbursement**. After both the summer and winter taxes are captured and collected on the Property, the Authority shall reimburse its Eligible and Administrative Costs and pay approved Eligible Costs to the Developer from Tax Increment Revenues that are generated from the Property in accordance with the Plan and Paragraph 7 to the extent that taxes have been

captured and are available in that fiscal year. The Authority shall receive one hundred (100) percent of Tax Increment Revenues until fully reimbursed, unless otherwise designated by the Authority. In the event that there are insufficient Tax Increment Revenues available in any given year to reimburse all of the Authority's and Developer's Eligible Costs, as described in Paragraph 5, then the Authority shall reimburse the Authority or Developer only from available Tax Increment Revenues. Once the Authority is fully reimbursed for its Eligible Costs, the Developer shall receive the available Tax Increment Revenue, less Administrative Costs, during the term of this Agreement, until all of the amounts for which submissions have been made have been fully paid to the Developer, or the repayment obligation expires, whichever occurs first. The Authority shall make additional payments, on an annual basis, toward the Developer's remaining unpaid Eligible Costs during the term of this Agreement. The Developer shall not be entitled to reimbursement under this Agreement unless the Developer has timely and completely paid its real and personal property taxes (or industrial facilities taxes) including all penalties, interest and other amounts due in relation thereto when due. For purposes of this Agreement, to be timely paid, taxes must be paid before the date on which they can no longer be paid without penalties or interest. The repayment obligation under this Agreement shall expire on the End Date.

7.4 Method of Reimbursement. Except as otherwise provided below, the Authority will reimburse the Developer for Eligible Costs as follows:

Checks shall be payable to and delivered by certified mail (or through electronic transfer if available through Developer) to:

Landscape Forms, Inc. 7800 East Michigan Ave. Kalamazoo, MI 49048

Developer is obligated to pay the Land Bank the "Land Bank Payment" (as defined in that certain Development Agreement dated _______, 2024, between Developer and Land Bank (the "Land Bank Development Agreement")). The County has further agreed to provide funds to Developer to make the Land Bank Payment to Land Bank on Developer's behalf and Developer has agreed to repay such amount to the County. Developer hereby agrees that the Authority may pay any amounts of Tax Increment Revenue payable to Developer under this Agreement for reimbursement of Eligible Costs associated with the Land Bank Payment directly to the County on Developer's behalf. Developer acknowledges and agrees that nothing in this agreement shall be construed to create any liability of the Authority for such payment or any other amounts owing from Developer to Land Bank or the County.

- **8. Adjustments**. The parties acknowledge that adjustments regarding the amount of Tax Increment Revenue paid to the Developer may occur under any of the following circumstances:
- **8.1** Audit or Court Ruling: In the event that a state agency of competent jurisdiction conducting an audit of payments made to the Developer under this Agreement or a court of competent jurisdiction determines that any portion of the payments made to the Developer under this Agreement is unlawful, the Developer shall pay back to the Authority that portion of the payments made to the Developer within 30 days of the determination made by a state agency or the court as the case may be. However, the Developer shall have the right, before any such repayment is made, to appeal on its or the Authority's behalf, any such determination made by a

state agency or court as the case may be. If the Developer is unsuccessful in such an appeal, the Developer shall repay the portion of payments found to be unlawful to the Authority within thirty (30) days of the date when the final determination is made on the appeal. The Developer shall be responsible for payment of all of the County's and Authority's legal fees associated with any determination of whether a cost for which reimbursement is requested constitutes an "Eligible Cost" and all of the County's and Authority's legal fees associated with the review or determination of such issues by any state agency or court.

- **8.2 Property Tax Appeal**: In the event the Developer, or any other owner of real estate on the Property, files an appeal with the Michigan Tax Tribunal, related to the taxable value of parcels of property included in the Brownfield Plan, the Authority shall do the following:
 - a. The Authority will remit Tax Increment Revenue reimbursement payments based upon the lowest taxable value being sought pursuant to the appeal;
 - b. Any Tax Increment Revenue that is collected but not remitted as a result of a tax appeal shall be held in a separate account of the Authority until the pending appeal is adjudicated;
 - c. Once any tax appeals are adjudicated, the Authority will either return the escrowed funds to the local unit in compliance with any tax appeal rulings, or will make payments pursuant to Section 7 of this Agreement.
- **8.3 Reduction of Property Assessments**: If the Authority (i) incurs Administrative Costs on behalf of the Developer with respect to the Project, Site or Application and (ii) the Developer initiates, participates in or supports any proceeding or process which results in a reduction of the tax increment capture for the Project from that projected and along the same term as contained within the Plan, the Developer indemnifies and will fully reimburse the Authority within 30 days of notification from the Authority as to the amount and the due date for all Administrative Costs as defined within the Plan, expenses or reduction in revenue from what was projected as the tax increment capture.
- **9. Responsibilities of Developer.** In consideration of the inclusion of the Property into the Plan and the resulting financial benefits, which it expects to receive, Developer agrees to the following:
- **9.1 Project.** At its sole expense, Developer shall use its best efforts to conduct the activities described in the Plan and to demolish the existing buildings on the Property and construct the Project. The Developer intends to transform the property into a 300,000 square foot warehouse building. The new investment planned for this site includes an initial total capital investment of \$70,000,000. The redevelopment of the Property shall commence no later than Spring 2025 and shall be completed no later than Fall 2027. Under no circumstances shall the Authority have any responsibility or liability for remediation or redevelopment of the Property, or for conducting any "Eligible Activities" at the Property, except for its obligations under this Agreement to provide funds to the extent available as permitted in Paragraph 7 hereof with respect to payments from Tax Increment Revenues.
- **9.2 Employment Opportunities.** Make every reasonable effort to work with the County and community employment agencies to hire County residents for new employment opportunities created by the Project, and to encourage the local contracting of construction and site related work.

- **9.3 Ordinances.** Develop the Property, including landscaping and all other improvements required for the Project, in compliance with all local ordinances, site plan reviews and this Agreement. The redevelopment of the Property shall be subject to all zoning approvals. This Agreement does not obligate any governing municipality to grant any such approvals.
- **9.4 Project Sign.** Place on the Property during rehabilitation/redevelopment a development sign provided by the Authority to promote the Project and the Authority's participation in it. Upon completion of the Project, the sign will be returned to the Authority.
- **9.5 Promotion and Marketing.** Permit the Authority to cite or to use any renderings or photographs or other materials of the Project as an example of private/public partnership and brownfield site redevelopment.
- **9.6 Cooperation.** Assist and cooperate with the Authority in providing information that the Authority may require in providing necessary reports to governmental or other agencies, including, but not limited to, information regarding the amount of Developer expenditures and capital investments, jobs created, and square footage developed or rehabilitated with respect to the Project.
- 9.7 Payment of Authority Legal and Professional Fees. To the extent the following costs and fees are not paid to the Authority from Tax Increment Revenues, the Developer shall reimburse the Authority for its legal and professional fees and disbursements incurred in connection with the review, approval and administration of the Plan for this Project, including any further amendments thereto; the preparation and negotiation of this Agreement, as it may be amended from time to time; and all documents and matters related thereto, including future expense. Developer shall reimburse the Authority for such expenses within 30 days from the date that the Authority sends an invoice and request for payment to Developer, provided Developer shall be eligible for reimbursement for such expenses to the extent permitted by law from Tax Increment Revenues.
- **10. Responsibilities of the Authority.** In consideration of the preceding commitments of Developer the Authority further agrees to:
 - **10.1 Agency Contacts.** Provide Developer with appropriate service/employment agency contacts for the identification of County residents to interview for potential employment; and
 - **10.2** Cooperation. Cooperate and utilize its best efforts to obtain any governmental approvals required to close the transaction contemplated by this Agreement.
- 11. Developer's Representations, Warranties and Covenants. The Developer hereby makes the following representations, warranties and covenants:
- **11.1 Eligible Property**. The Property is "eligible property" as defined in Act 381 and is eligible for the capture of Tax Increment Revenues pursuant to Act 381.

- 11.2 Eligible Costs. The Developer will only submit for reimbursement under Paragraph 7 hereof such costs that are Eligible Costs (as defined herein) for which Developer is permitted to be reimbursed pursuant to Act 381 and all other applicable laws and regulations.
- 11.3 **Due Authorization**. The representatives signing this Agreement are duly authorized by the Developer to enter into this Agreement.
- 12. Events of Default. Each of the following shall constitute an event of default:
- **12.1** Any representation or warranty made by the Developer in this Agreement proves to have been incorrect or incomplete in any material respect when made or deemed to be made.
- 12.2 The Developer fails to observe or perform any covenant or agreement contained in this Agreement for 30 days after written notice thereof shall have been given to the Developer by the Authority.
- **12.3** The Developer abandons or withdraws from the reuse and redevelopment of the Property or indicates its intention to do so.
- **12.4** The Developer fails to pay any funds within 30 days of the date due which are required to be paid to the Authority pursuant to this Agreement, including but not limited to its real and personal property taxes as set forth in Paragraph 7 hereof.
 - **12.5** The Developer terminates its existence.
- **12.6** Any material provision of this Agreement shall cease to be valid and binding on the Developer or shall be declared null and void; the validity or enforceability of such provision shall be contested or denied by the Developer; or the Developer denies that it is bound by this Agreement.
- 13. Remedies upon Default. If any event of default as defined above shall occur and be continuing for 30 days after written notice of default from the Authority, the Authority shall have the right, but not the obligation, to exercise any of the following rights and remedies either individually or concurrently:
 - (a) Terminate this Agreement effective immediately upon notice to the Developer;
 - (b) Receive reimbursement from the Developer for all costs which the Authority has incurred in connection with the Project, the Property, or this Development Agreement (within 30 days following demand); and
 - (c) All other remedies available at law or in equity.

In addition, if the Developer fails to substantially complete the Project within the timelines required by this Agreement, or if Developer otherwise defaults prior to substantial completion of the Project, Developer shall pay back to the Authority (within thirty (30) days following demand by the Authority) any amounts paid to Developer as reimbursement for Eligible Costs pursuant to the terms of this Agreement or otherwise.

Following a default by Developer, or following expiration or termination of this Agreement for any reason, Developer shall then be responsible for all subsequent Project costs, including Eligible Costs, without contribution from Tax Increment Revenues collected by the Authority from taxes levied on the Property.

- 14. Legislative Authorization. This Agreement is governed by and subject to the restrictions set forth in Act 381. In the event that there is legislation enacted in the future which alters or affects the amount of Tax Increment Revenues subject to capture, Eligible Properties, or Eligible Activities, then the Developer's rights and the Authority's obligations under this Agreement may be modified accordingly by agreement of the parties.
- **15. Freedom of Information Act**. Developer stipulates that all petitions and documentation submitted by Developer shall be open to the public under the Freedom of Information Act, Act No. 442 of the Public Acts of 1976, MCL 15.231 et seq., and no claim of trade secrets or other privilege or exception to the Freedom of Information Act will be claimed by Developer as it relates to this Agreement or petitions and supporting documentation.
- **16. Plan Modification**. The Plan and this Agreement may be modified to the extent allowed under Act 381 by mutual agreement of the parties.
- **Notices**. All notices and other communications required or permitted under this Agreement shall be in writing, shall be deemed given when delivered, and shall be sent by personal delivery, overnight courier, or registered mail, return receipt requested, to the following addresses (or any other address that is specified in writing by either party):

18. Indemnification. Developer shall defend, indemnify and hold harmless the Authority and the County, and any of their respective past, present and future members, officials, employees, agents or representatives from all losses, demands, claims, judgments, suits, costs and expenses (including without limitation the costs and fees of attorneys or other consultants) arising from or related to (i) the capture and use of Tax Increment Revenue paid to Developer as a reimbursable payment under this Agreement made in excess of the amount of tax increment revenues the Authority is determined by the State of Michigan, any court, or other regulatory or administrative body to be allowed by law to use for that reimbursement (collectively, a "Governing Body"), (ii) any determination by a Governing Body that any reimbursement of Eligible Costs paid to

Developer is not permitted by Act 381 or any other applicable law or regulation, (iii) the Land Bank Development Agreement or the Authority's direct payment of any amounts to Land Bank, the County, or any other person, entity, or governmental authority on behalf of Developer, (iv) any breach of this Agreement by Developer, and (v) the Project. The provisions of this Section shall survive the termination of this Agreement.

- **19. Governing Law**. This Agreement shall be construed in accordance with and governed by the laws of the State of Michigan.
- **20. Binding Effect/Third Parties.** This Agreement is binding on and shall inure to the benefit of the parties to this Agreement and their respective successors, but it may not be assigned by any party without the prior written consent of the other party. The parties do not intend to confer any benefits on any person, firm, corporation, or other entity which is not party to this Agreement.
- **21. Waiver.** No failure of either party to complain of any act or omission on the part of the other party, no matter how long this same may continue, is considered as a waiver by that party to any of its rights hereunder. No waiver by either party, expressed or implied, of any breach of any provision of this Agreement is considered a waiver or a consent to any subsequent breach of this same or other provision.
- **22. Authorization.** Each of the parties represents and warrants to the other that this Agreement and its execution by the individual on its behalf are authorized by the board of directors or other governing body of that party.
- **23. Entire Agreement**. This Agreement supersedes all agreements previously made between the parties relating to the subject matter. There are no other understandings or agreements between them.
- **24. Headings**. Headings in this Agreement are for convenience only and shall not be used to interpret or construe its provisions.
- **25. Definitions.** The following capitalized terms are used in this Agreement with the following meanings:

[Signature Page Follows]

[&]quot;Administrative Costs" means the Authority's out-of-pocket costs associated with the Project (including reasonable attorney fees and costs, environmental consulting fees and costs, and similar fees and costs) as well as the Authority's indirect costs associated with the Project (including allocation of the fixed costs of the Authority staff.)

[&]quot;Brownfield Plan" is defined by Section 2(e) of Act 381;

[&]quot;Due Care Activities" is defined by Section 2(m) of Act 381;

[&]quot;Eligible Activities" is defined by Section 2(o) of Act 381;

[&]quot;Eligible Property or Properties" is defined by Section 2(p) Act 381;

[&]quot;Tax Increment Revenue(s)" is defined by Section 2(ss) of Act 381, and, for purposes of this Agreement, includes school taxes and local (non-school) taxes.

In witness of their intent to be legally bound by the terms of this Brownfield Plan Development Agreement, each of the parties has set forth its signature below by its duly authorized representative.

Additional Information

IFT ran out in 2022 on eligible parcels. Need to correct the local tax capture amount on the 2022 local revenue received, and then also on the amount of local developer reimbursement to increase by the difference, too. Missed one millage (City Solid Waste in the amount of \$2,367) TIR is being held to reimburse the developer once the invoice packets are received.

Additional Information

Plan overlaps with renaissance zone for some parcels and IFT abatements for some parcels. The Plan was amended to the full 25-30 years as allowable by Act 381, and the amended Plan allowed designation of the area as an economic opportunity zone. Including the addition of a new developer, eligible to be reimbursed under the Plan. TIR is being held for developer reimbursements.
